A STRONG ECONOMY IS IMPORTANT TO YOU AND YOUR BUSINESS

You want to see the Meramec Region prosper, because that's good for your business. We, too, want to see the Meramec Region prosper, because it's part of our mission. MRPC's work in economic development has one focus: Improve the quality of life for people in the Meramec Region.

Our economic development efforts can be enhanced by your involvement. MRPC is looking for committed partners—investors, if you will—to complement its economic development work in the Meramec Region. We represent and market the entire eight-county area. Once a new company has settled on a location, or an existing company has decided to expand, we work with the company on any needed financing and the community on needed infrastructure.

There is considerable satisfaction in knowing that you helped create jobs that allow residents to work and live in the Meramec Region. As an Associate Member, you will share in that success and be recognized in MRPC's Annual Directory and our Associate Members Board, prominently displayed in our office and at special events. MRPC's economic development efforts will be enhanced by your involvement.

WHO MAY BE INTERESTED?

Banks, developers, hospitals, real estate agents, engineers and business people in general who have an interest in economic development and want to see the Meramec Region succeed economically.

HOW MUCH DOES IT COST?
