Making the most of the Meramec Region

MRPC Executive Director's Message by Bonnie Prigge

an experience. We can be a destination, and Naturally Meramec can help that happen. Many of us take the "experience" and "destination"

"Whether you are a hotel clerk, a newspaper writer, a regional planner or an economic developer, we all play a role in economic development."

their own businesses. The Meramec Region really does have a lot to offer, and Rolla's recent 'win' with Hartman USA,

How many times have you heard someone say, "There is nothing to do here!" Sometimes we get so accustomed to our surroundings that we don't realize or recognize the gems and treasures that surround us. We have known for a while how folks from all over the world come to the Meramec Region to drive Route 66. We know folks come from afar to eat in our restaurants and tour our wineries. Yet we have so much more to offer, as MRPC's Naturally Meramec project has revealed. There are over 800 agri-tourism related industries in the Meramec Region's eight-county area. By the time this annual report is printed, we will have a new website, www.naturallymeramec.com, that will begin to showcase these businesses and services with the goal of bringing more visitors to the Meramec Region, so we can show them what we have and give them the opportunity to spend their dollars here.

The folks running these businesses are your neighbors, and some may even consider their business more of a hobby. These folks are entrepreneurs, and they really are key to the future of our region. Our region has long been known for its wineries, and there are even more now. Craft beer has taken off here as well over the past few years. Ideally, the Meramec Region has more to offer than just products; we can offer

for granted but it is what so many are looking for. It is an understatement to say that entrepreneurs are key to the future of our region. The economic development strategy of recruiting large industries is not nearly as successful today as it was 40 years ago. We live in a global economy, and recruitment is no longer sufficient.

We can develop a culture that encourages entrepreneurship, and we can grow our own successful businesses. And we have. Two businesses that we take great pride in having in the Meramec Region are Brewer Science and MO-Sci. Some 30 years ago, their owners had ideas, and they were passionate about their ideas; they started small, and they are two of the larger, advanced manufacturing companies in our region, known around the world for their products.

We can just sit back and wait for these things to happen, or we can build an entrepreneur ecosystem that provides our students and young adults with the idea of owning their own businesses, help them acquire the skills to do that and provide access to capital for those start-ups. We can encourage them to create their own opportunities right here in the Meramec Region. With technology, the world is their marketplace.

Industrial recruitment can still be a part of the mix and provide local jobs for those who don't want to own

an egg carton manufacturer, proves just that.

Earlier this year, Garry Lavis of Hartman USA introduced his company to area leaders at a Rolla Regional Economic Commission meeting. One of the questions he was asked was "Why Rolla?" He shared that the company's other plants were in smaller-sized farming communities; that the interstate was key; that the location was a natural fit for back hauls; that it was located in the center of the country; and that Rolla did a good job of presenting itself.

Lavis shared that he and his colleagues had made a few trips to Rolla, and had positive visits with local leaders, but that was only part of Hartman's site selection process. Lavis said they visited with folks in Rolla, wherever they could. He would strike up a conversation with the hotel clerk when checking into a local hotel. He would have a casual conversation with a waitress serving him dinner, and he would ask questions of whomever he encountered when he was in Rolla, all in an effort to get an impression of how local folks felt about Rolla.

When considering a location decision, Lavis said he and his CEO always ask themselves the question, "Would I live here?" even if they have no plans to live in a given town. For Rolla, that was a resounding 'yes.'

Hartman officials found Rolla resi-

dents hospitable, helpful, positive and supportive of their community. Obviously, those impressions were important and played a role in bringing 50-60 new jobs to our region.

There is a lesson to be learned here. Bottom line, whether you are a hotel clerk, a waitress, a store clerk, a newspaper writer, regional planner or an economic developer, we all play a role in economic development, and, at times, we may not even know we are doing it. We extend kudos to those who have hosted and promoted hospitality trainings. It is important that local

residents know their community, know what businesses and services are in town as well as what there is to see and do in our communities, so they can tell others, including those they don't even know. It is important to treat others like you want to be treated, and it is essential that we have a great attitude about the place we call home, and we must share that attitude. Someone once said, "A healthy attitude is contagious but don't wait to catch it from others. Be a carrier."

I am always impressed with my visits around the Meramec Region. The

people truly make it a special place to live and work. Yet we can't take that for granted. We must be cognizant of the impact we have on others, and strive to always be improving. We must also remember that we are part of a greater effort, at most any given time. Our actions and attitude can define us as a community. Each of us has the opportunity to make every impression a great one. We just never know when it might contribute to something bigger, whether it's a company executive planning his next project or a out-of-town visitor just passing through.

All organizations succeed due to excellent people.

This is something I have seen in my years as a salesman, as Maries County Commissioner and in the 10 years I have served on the Meramec Regional Planning Commission (MRPC) board.

I admire the people who put the time in and get things done. MRPC has a great staff that is dedicated, hardworking, are compatible, and do wonderful work with the board. We work well together; we cooperate and because we are like-minded, we succeed.

Our eight-county region has seen many ups and downs, but MRPC has been able to help our communities with their infrastructure.

The MRPC staff help tremendously with grant writing, business loans, transportation, flood plain management, homeland security at the local

level, and so much more.

As a regional planning commission, we do so much more for our communities, as most counties could not afford to hire the services we receive from MRPC.

In general, by working together, MRPC has made life better in the region.

Through MRPC, we try to better what we already have. We work hard to help bring in new businesses and through the Gasconade Valley Enterprise Zone. We have succeeded in assisting three new businesses in just Maries County: Brewer Science, Weiberg Ready Mix and Quaker Windows expanded.

These projects were just in Maries County, but MRPC's work is evident region-wide. I couldn't mention all of the programs MRPC works to provide our region in a one page report.

No one knows this region better than the ones that live and work here

Looking Forward

MRPC Chairman's Message by Ray Schwartze

"Most counties could not afford to hire the services we receive from MRPC."

on a day-to-day basis; which is why we are so successful.

Our committees and boards are made of those same people. Boards such as the Transportation Advisory Committee help us keep our roadways on track. Ozark Rivers Solid Waste

Management helps keep our communities clean and Region I Homeland Security helps keep our communities safe. These are just examples of some of our most used programs.

MRPC's mission comes down to making our communities great; a great place to live, work and visit.

This is my first-time serving as chairman of MRPC and I feel privileged because it is an organization I am proud of. MRPC has helped with so many projects in not just my community, but our collective region.

As chairman, I will do my best to continue MRPC's legacy: to think of ourselves not as one, but as a region.

In the 1960s, communities recognized they needed to work together for a better future. Local elected officials requested Missouri Gov. Warren E. Hearnes (seated) approve a regional planning commission, as allowed by the 1965 State and Regional Planning and Community Development Act. Hearnes signed the proclamation creating MRPC in 1969.

MRPC - In the business for a stronger region

In the 1960s, communities recognized they needed to work together for a better future. It was then that local government officials requested Missouri Gov. Warren E. Hearnes to approve a regional planning commission and MRPC was signed into creation in 1969.

Today, MRPC works with local governments in Crawford, Dent, Gasconade, Maries, Osage, Phelps, Pulaski and Washington counties to form one voluntary council of local governments. While the council's actions are diverse and far reaching, they have one main goal: to improve our cities, counties and the quality of life we experience within the region we share.

For 47 years, MRPC has given community leaders a place to plan for our future successes; to help our residents achieve cleaner, health-

ier and safer communities, greater socio-economic and cultural wealth through community development and a stronger, unified voice in the legislative process.

The eight-county region is home to 201,247 people in 36 communities and bridging the gaps between the collective, independent and individual groups of people in our region has been a welcome challenge. While many are comfortable, newcomers seek services found in urban areas. Our cities and counties constantly struggle to maintain the quality of life that sets the region apart from our urban neighbors yet provide services that people expect.

Compounded with the additional struggles to compete with state and federal mandates, limited financial resources, business closures and downsizing, the task of

improving the quality of life is ongoing. Yet MRPC has provided and maintained continuous, comprehensive and coordinated planning, grant writing and administration services.

A board of 63 members, serves on one of three standing committees—operations, planning and external relations/membership, meets the second Thursday of each month. The board determines the region's goals and objectives and employs a 25-member professional staff to carry them out.

Every fall, MRPC organizes an annual dinner and awards ceremony, hosted by a community in the region, to recognize and honor exceptional volunteerism.

The secret to MRPC's success is simple: Surround yourself with those with the same mission as you.

Last year's success- this year's foundation

ORSWMD awarded \$186,685.10 in local grants

With the help of MRPC and Missouri Department of Natural Resources, the district awarded \$186,685.10 in grant funds in conjunction with Missouri Department of Natural Resources (MDNR). Those projects, with a January 2016 start date, included:

MRPC-Rolla-St. Robert for Household Hazardous Waste Collections, \$35,687.68; MRPC-Special waste collections (appliance, ewaste, tires), \$25,047.60; MRPC-Education, Public Awareness and Business Outreach, \$35,523.57; Maries County recycling for environmental excellence, \$7,272; Dixon Area Caring Center, \$20,560; Phelps County Tough on Trash X, \$11,900; The Curators of the University of Missouri, \$10,000; Kaleidoscope Discovery Center, \$5,000; St. Robert/Waynesville Intergovernmental Educational Recycling Program, \$11,487.64; City of St. James; \$9,916.61; Dixon High School – The Choice is Yours – Waste it or Recycle it, \$7,690; and Edutainer: In-the Green Production Presents Jack Kauffmann, \$6,600.

There is no road map to success, but working together for a common goal is half the journey.

MRPC works within communities to help improve the quality of life by partnering with other organizations like the Ozark Rivers Solid Waste Management District, Work Ready Communities and the Missouri Coalition for Roadway Safety. Through these partnerships, MRPC helps to coordinate efforts to encourage recycling; assist our students to be work and career ready; and promote safe driving. In addition, MRPC provides administration and coordination services to further other programs such as hazard mitigation planning, watershed planning, floodplain management, small business loans, grant writing and administration and housing rental assistance.

MRPC's mission unifies our cities and counties to work together and provide resources that would otherwise be difficult to obtain. Through various programs, MRPC is able to help communities maintain cleaner, healthier and safer communities; greater socio-economic and cultural wealth through community and economic development; and a stronger, unified voice in the legislative process.

Working to make cleaner, healthier and safer communities

MRPC assisted the Ozark Rivers Solid Waste Management District (ORSWMD) to provide recycling and education programs, including Rolla special waste collections (above left), Earth Day poster judging (top right) and Earth Day displays (bottom left).

Ozark Rivers Solid Waste Management District

MRPC works with environmental programs in the areas of solid waste management (Ozark Rivers Solid Waste Management District); emergency planning, such as the Region I Homeland Security Committee, Meramec Regional Emergency Planning Committee (MREPC), watershed planning and hazardous mitigation planning.

MRPC's partnership with ORSWMD and HSOC are two examples of how grant writing and administration services can make a difference in MRPC's communities. In 2015-16, MRPC and (ORSWMD) partnered to help provide resources and services that help keep the Meramec Region a clean, healthy and safe place to live. Services included four special waste

collections that keep electronics and appliances out of landfills in our region.

The photo (page 4, left) is of the Rolla special collections event at Brewer Science on June 21, where 24,659 pounds of residential recyclable electronics, appliances and tires were collected.

MRPC staff and ORSWMD also partner with MDNR to

provide an Earth Day event. Earth Day events bring recycling awareness to the region's students in both primary and secondary schools through poster, trash art and graphic art contests.

Representatives from regional businesses and city and county government officials help judge the contests. Projects are then displayed around the region.

MRPC serves as the fiscal agent and grantee for homeland security dollars for a five-county area that includes Crawford, Dent, , Maries, Phelps, Pulaski and Laclede counties. Efforts to keep the region prepared are ongoing with Region I Homeland Security Oversight Committee (HSOC). Tabitha Stanfast, of Salem Memorial District Hospital, and Ron Smith of Rolla City Fire and Rescue shared chairmanship duties this year. The committee continues to make tough funding decisions to ensure first responders in Region I have the necessary tools to deal with emergencies. Grants totaling \$65,489.03 were awarded in 2016. The following grants were made: MRPC for Region I Work Plan, \$20,000, Region I M and A, \$3,446.79, and Region I Planning and Training, \$6,949.78; Pulaski Co. Health Center for Emergency Response and Mobility Readiness, \$2,000; Richland Police Department for MOSWIN radios, \$14,966.25; Rolla City Fire and Rescue; City of Rolla "All Hazard" Response Team, \$24,568; Salem Memorial District Hospital, PAPER Sustainment (filter replacement) \$5,520; Sullivan Fire Protection District MOSWIN Radios, \$5,570.50; and Waynesville Police Department radios for safety, \$64,489.03.

Region I Homeland Security Oversight Committee

The Region I Homeland Security Oversight Committee (HSOC) met in March to decide which regional emergency personnel would receive 2016-17 grant funds for emergency equipment.

Planning for the Future

The Transportation Advisory Committee (above) met in December 2015 to prioritize regional transportation needs. MRPC 2015-16 Chairman and Potosi Mayor T.R. Dudley (right) talked about transportation projects his community needed as local government officials and MRPC staff listened. Priorities were later shared with MODOT and local legislative officials.

MRPC works within the eight-county region to plan for a better future. The planning department works in the areas of transportation planning, economic development planning and strategic planning. Current projects include coordinating Naturally Meramec and Mo Rides-Meramec, the mobility management program, and updating the Comprehensive Economic Development Strategy (CEDS). The planning department was also responsible for

grant administration on some dozen projects across the region.

The Meramec Region consists of 13,000, mostly rural, road miles that consistently need maintenance and repair. While transportation dollars continue to be limited, Missouri Department of Transportation (MoDOT) Area Engineer Preston Kramer and Executive Director Bonnie Prigge met with all eight county commissions in fall 2015 to discuss transportation needs.

The Transportation Advisory Committee (TAC) reviewed the updated regional needs and prioritized them in December 2015, and shared those recommendations with MoDOT. The board continues to discuss transportation funding options.

MRPC staff also continued to work to keep drivers and passengers safe on regional roadways through MRPC's partnership with the Central District Missouri Coalition for Roadway Safety. MRPC discouraged distracted driving and encouraged the use of seatbelts for the coalition during safety fairs and back-to-school fairs.

In addition to the fairs, MRPC worked in partnership with Mag Roberts, a retired St. James educator known for her docudramas. MRPC hosted three how-to docudrama/safety day workshops for schools, law enforcement, EMS and others who were interested in developing docudramas in their communities.

Staff also used Buckle Buddy, a booster safety-seat promoter, to teach pre-kindergarten through second grade students how to ride safely in cars. Buddy was present during Fort Leonard Wood's safety day, back-to-school fairs and one-on-one events.

Last year's success- this year's foundation

Naturally Meramec, a consortium of agri-tourism businesses administered by MRPC staff member and Naturally Meramec administrator Connie Williams, is striving to bring together the estimated 800 agri-tourism businesses in the region and recently went live with its website, www.naturallymeramec.com. The website will showcase these businesses and services with the goal of bringing in more visitors, and give them the opportunity to spend their dollars here.

The Comprehensive Economic Development Strategy (CEDS) committee continued to work on developing action plans and programs to address the needs of the Meramec region.

CEDS is an important document for those requesting grants as most needs and projects must be identified through and supported by a planning process. CEDS recently began working with Southeast Missouri State University in Cape Girardeau on its Entrepreneurship Assessment and Strategy Report.

Naturally Meramec, a consortium of agri-tourism businesses administered by MRPC staff member and Naturally Meramec administrator Connie Williams, is in its second year of bringing the region's agriculture, tourism and culinary businesses together.

Project Development

MRPC works with businesses and community leaders through many project development programs to start new projects in the region. Project Development programs include the Mobility Manager, grant writing, Naturally Meramec, grant administration and Community Development Block Grants (CDBG).

MRPC's Mobility Management project has been a huge endeavor that has benefited many regional citizens.

This year, MRPC was able to begin addressing a need identified through transit planning efforts. In September 2015, MRPC hired its first mobility manager and began finding rides for persons without transportation. The program is funded by grants from MoDOT and the Missouri Developmental Disabilities Council.

Mobility Manager Holly Kreienkamp coordinates existing rides and transportation assistance for the region.

She comes in contact with people on a daily basis that do not have transportation for even the most basic needs. A volunteer advisory committee helps guide efforts.

She has also been working to develop new transportation routes and a Transportation Voucher Program.

MRPC works in partnership with two other regional planning commissions that provide mobility management programs to offer a statewide website to provide online ride information. The website can be found at morides.org.

Need a ride? Call Mo Rides Meramec.

Mobility Manger Holly Kreienkamp (above, center) works with an advisory committee under the leadership of chair Amy Heyer (left) and vice chair Harold Selby right.

At left, Kreienkamp met with a representative from Enterprise Rent-a-Car to discuss specialized transportation available for the region.

Business Loans

SBA, RLF, IRP

MRPC staff assist small businesses with SBA, IRP and RLF loans as well as grants.

The availability of capital is critical to a growing business, and MRPC and Meramec Regional Development Corp. (MRDC) have seen increased interest in business development in FY 15-16. New loans were added to the MRPC/MRDC portfolio, accounting for \$652,000 in loans.

All loans provide gap financing, are made in partnership with local banks and offer long-term, fixed rates. Together, the two organizations offer business loan funding through EDA Revolving Loan Funds, USDA Intermediary Re-lending Program (IRP), and the Small Business Administration (SBA) 504 program. Staff also serviced a portfolio of 11 RLF loans, 31 SBA 504 loans and eight IRPS loans.

Those loans combined totaled more than \$11.8 million, leveraged over \$51 million in bank and private investments and created and/or retained in excess of 2,200 jobs. Staff continues to package SBA 7 loans for banks and coordinate loan and business development training for businesses and bankers.

Meramec Regional Development Corporation (above) provides oversight for MRPC's loan programs.

Our Story Boutique, LLC (left), owner Crystal Ray received an RLF loan with the help of MRPC Business Loan Specialist Maria Bancroft. Funds helped Ray expand her business. Our Story Boutique offers confectionary items as well as local goods.

Meramec Regional Community Foundation

MRCF awarded six community project grants

Meramec Regional Community Foundation (MRCF) grantees include:

- Kathy Taber, with The Community Partnership, Rolla, received \$250 for the Literacy Program
- Beth Wiles with Pulaski County Route 66 Preservation, St. Robert, received \$250 for the Route 66 Neon Park.
- Barbara Schaller with the Osage Art Community Art League, in Belle received \$250 for flags for the Belle Downtown Beautification project..
- Ben Latimer, with the University of Missouri Extension, Salem, received a \$250 grant for a Green Forrest School Garden project.
- Mellissa Matney, with Assistance Association for Missouri Veterans Cemetery Fort Leonard Wood, Waynesville, received a \$250 grant for its Avenue of Flags project.
- Martina Baur, with Kaleidoscope Discovery Center, Rolla, received a \$250 grant for sweepers.

Meramec Regional Community Foundation (MRCF) awarded the Kaleidoscope Discovery Center in Rolla a \$250 grant March 2. The group provides students with hands-on experiences in Science, Technology, Engineering and Math (STEM). From left, Laura Antolak, Martina Hahn-Baur and Mary Atherton accepted the grant, presented by MRCF Chairman Wayne Parry (right), on behalf of the center. MRCF awarded six grants totaling \$1,500 with the goal of enhancing and building stronger communities in the region.

\$1,328,589.60 in grants awarded through MRPC

Communities in the Meramec Region may apply for many different funding resources when trying to update or to improve infrastructure or start programs to address needs.

In 2015-16, MRPC grant writing staff wrote 11 successful grants for the Meramec Region, totaling \$1,328,589.60.

Approved grants included: Crocker Police Department for the State Homeland Security Grant program, \$19,775; Washington County for its general infrastructure, \$500,000; St. James for its SEDAP 2015, \$206,060; Cuba for its Land and Water Conservation fund, \$49,590; Dixon for its NAP program, \$152,977.40; Washington County for its Heritage Property Grant program, \$50,584; Gasconade County for its Heritage Property Grant program, \$14,066.85; Pulaski County for its 2016-17 STOP VAWA, \$85,952.60; Crocker for its scrap tire project, \$4,134; Steelville for its community facility, \$243,450; and Bourbon for its park, \$2,000 for a total of \$1,328,589.60 in grant funds.

Vienna High School (VHS) students were awarded National Career Ready Certificates March 18 for successfully completing WorkKeys testing, and Maries County was recognized for achieving Certified Work Ready Community status. The director of the Department of Economic Development (DED), Maries County commissioner and local business and Meramec Regional Planning Commission (MRPC) supported the students in the endeavor. Those pictured include (front row, left) Teegan Helton, Timothy James, Maries County Commissioner Ray Schwartze, MRPC Executive Director Bonnie Prigge, DED Director Mike Downing, DED Certified Work Ready Communities Director Cheri Time, Madison Stricklan and Austin James; second row, left, Derek Kleffner, Annie John, Ryleigh James, Brock Feeler, Gina Wieberg, Cassidy Hill and Kaitlyn Stockstill; third row, left, Rebecca Hertzling, Joseph Shulte, Darrien Hollis, Savannah Fuller, Ariel Pierce and Jaydyn Hall; fourth row, left, Ryan Logan, Ryan Kloeppe and Dakota Hollis.

Grant Writing

MRPC staff offer local governments and non-profits a wealth of grant writing experience, expertise and success. Grants are typically used for community improvements, such as water and sewer systems, bridges, fire stations, senior centers and side walks as well as drainage improvements and housing demolition.

A grant application can be complicated and time consuming. Grant writing is one of the many services MRPC offers member communities as part of their membership and at a reduced rate.

This year, MRPC's community development grant writing staff successfully prepared 11 new grant applications.

The largest project was a \$500,000 Community Development Block Grant to replace a bridge in Washington County.

The application of a grant can be complicated and private grant services are expensive. MRPC staff is here to assist cities, counties and non-profits through the grant writing process as well as the admin-

istration of some of the projects.

Staff also successfully prepared three park grants, two county historical preservation grants and two public safety grants. Programs that have benefited from grants include Certified Work Ready Communities, a program that helps students become career ready.

ACT Work Keys is a job skills assessment system that helps employers select, hire, train, develop, and retain a high-performance workforce. This series of tests measures foundational and soft skills and offers specialized assessments to target institutional needs.

Since then, Maries County seniors in Belle and Vienna have both tested and received Certified Work Ready Certificates in their schools.

A March 18 ceremony honored 23 Vienna High School (VHS) juniors and seniors with ACT National Career Ready Certificates (NCRC) for successfully completing WorkKeys testing.

Phelps County Public Housing Agency

Maintaining safe and affordable housing is key to quality of life. This fiscal year, the Phelps County Public Housing Agency, which is administered by MRPC, provided \$3.1 million in housing assistance to an average of 740 households each month, through the HUD Housing Choice program. Program participants choose their own home. MRPC staff, through inspection, ensures that it is safe and affordable and pays the landlord directly. Staff performed over 1,383 housing inspections and 36 housing briefings for eligible applicants.

The PHA also offers the Family Self-Sufficiency program (FSS) to help families improve their quality of life. The FSS program is a voluntary program offered to families who want to be self-supporting without the aid of Temporary Assistance for Needy Families (TANF) from family services.

Families set goals and work with a coordinator for five years to achieve goals to become self-sufficient. As a family's income increases, then housing assistance decreases and the difference in assistance payments are escrowed into an

Phelps County PHA Manager Linda Hollandsworth presented a \$17,757.78 check to Jennifer Byrd for completing the Family Self-Sufficiency (FSS) program.

account.

When families graduate off the program, they receive the escrow in full with a written check. The main goal is to support and encourage those who wish to meet their full potential and become independent of government assistance.

For families like Jennifer and Arnold Byrd, that payout consisted of \$17,757.78.

A Unified Voice in the Legislative Process

Cities and counties in the Meramec Region have many commonalities, and what effects one, will most likely impact the majority. That is especially true of legislation. MRPC helps communities keep track of, and be aware of proposed legislation so they can determine the impact on their jurisdiction.

It is critical that a town of 200 people have a voice in the legislative process, just as the city of 200,000. In order to keep track of so much, MRPC's External Relations committee monitors legislation throughout the year and keeps the membership apprised through various legislative updates from a variety of sources. MRPC also serves as an advocate for its local governments, 33 cities and more than 200,000 residents.

MRPC has an excellent rapport with three state senators, 10 state representatives, two U.S. senators and three U.S. representatives that serve various parts of the region. In any given legislative session, MRPC provides ideas and makes input to ensure the rural perspective is considered.

Each year, the MRPC board develops state and federal priority reports. State legislators were invited to discuss issues with MRPC board and staff members at the December 2015 meeting, and the Meramec congressional delegation was invited to the January 2016 MRPC meeting to discuss federal issues.

In 2016, Chairman T.R. Dudley and Assistant Director Tammy Snodgrass attended the conference in Washington, D.C., visiting with the regions congressional leadership and hand-delivered MRPC's Federal Priorities report.

MRPC board members and staff (above left) traveled to the capital Jan. 26. Attendees included Darrell Skiles (back left), Dent County presiding commissioner; Ron Kraetli, Gasconade County for-profit, Larry Miskel, Gasconade County presiding commissioner; Bruce Harrill, Waynesville city administrator and Ray Schwartze, Maries County presiding commissioner; (front, left) James Morgan, mayor of Crocker; Luge Hardman, mayor of Waynesville; Sharon Hubbard, Steelville alderperson; Jan Haviland, at-large for industry; Rob Parson, at-large for farming/agriculture businesses and Bonnie Prigge, MRPC executive director.

MRPC Chairman T.R. Dudley (left, center) and Chad Eggen, executive director of the Boonslick Regional Planning Commission, Warrenton, Mo., (left) meet with Tracy Henke of Sen. Roy Blunt's office while in Washington, D.C.

Preliminary Revenue & Expenditure Report

For the year ending June 30, 2016

REVENUE SUMMARY

Agency Revenues	FY15-16 Revised Budget	Year to Date	Balance left in Budget
Planning Department	\$471,836	\$419,104	\$52,732
Project Development	\$136,130	\$143,404	(\$7,274)
Loans Department	\$144,768	\$127,739	\$17,029
Environmental Department	\$472,113	\$468,990	\$3,123
Housing Department	\$467,660	\$454,960	\$12,700
Services to MRB	\$93,710	\$90,764	\$2,946
Other Income	\$20,793	\$37,028	(\$16,235)
Total Agency Revenues	\$1,807,010	\$1,741,988	\$65,022

TOTAL AGENCY REVENUES OVER EXPENSES **\$16,556**

Making An Impact

Counties, cities and constituents in the Meramec Region benefit day-after-day by Meramec Regional Planning Commission's dedication to ensuring taxpayer dollars are spent to benefit residents as funding agencies intended. MRPC administers these dollars, which are spent to improve the lives of residents in the region.

Pass-through dollars are funds that go through MRPC directly into the region as local government grants, business loans and housing assistance, among other things. These dollars are tracked annually.

Pass-through dollars in FY2015-16 were \$7.70 million.

The impact of these dollars go much farther than the initial investment. Using a conservative multiplier of 2.5, MRPC had an economic impact valued at \$19.26 million in FY2015-16.

For every dollar MRPC spent (\$1,725,432) in FY2015-16, \$4.47 was brought into the Meramec Region for the benefit of its residents.

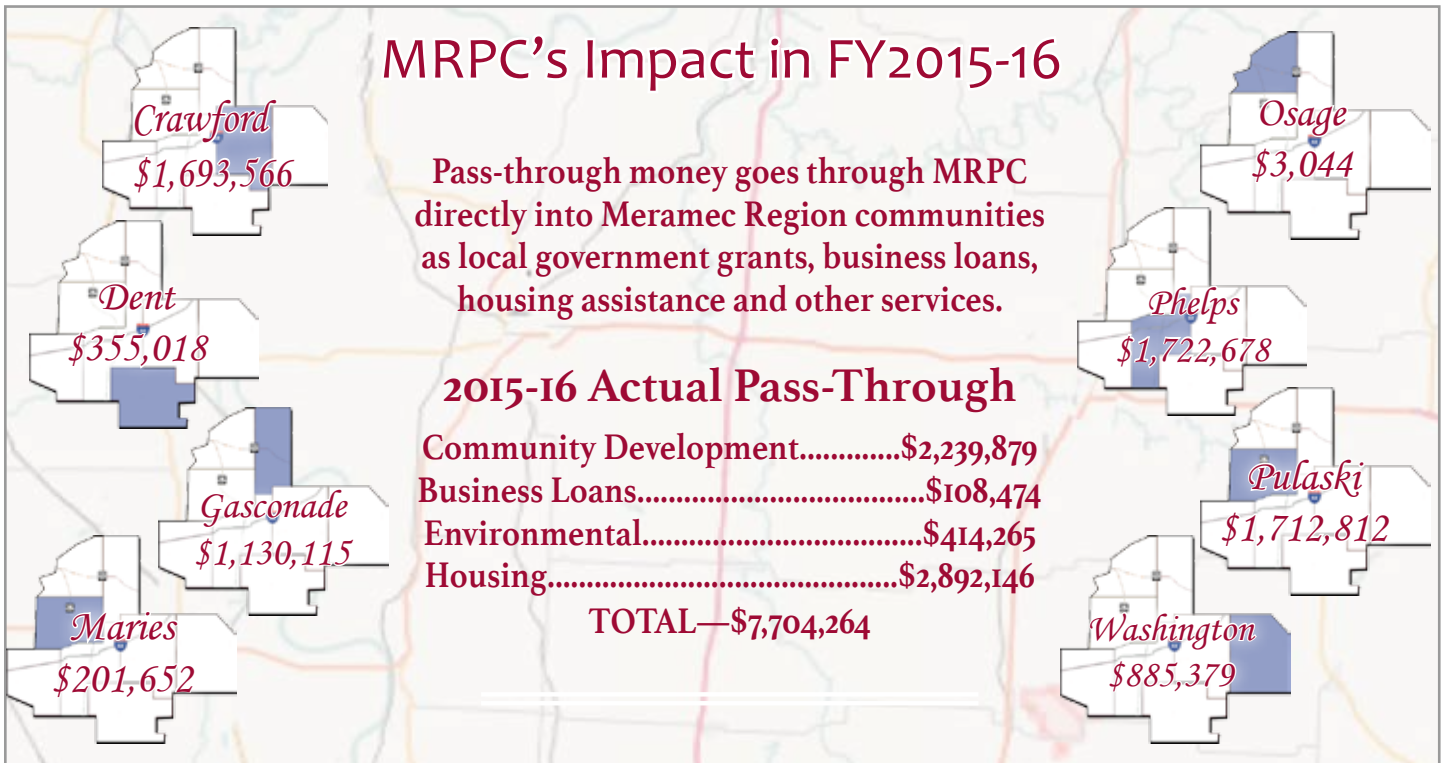

While not all of MRPC's operating dollars were spent in the region, a large portion of them were. Personnel and fringe is MRPC's largest single expense at \$1,014,122, and all of MRPC's employees live in the region.

“For every dollar MRPC spent in FY2015-16, \$4.47 was brought into the region for the benefit of its residents.”

When you factor in MRPC's expenditures of \$1.73 million, the additional economic impact was \$4.31 million, for a total impact valued at \$23.57 million.

MRPC staff continually look for ways to bring more resources into the region. To do that, MRPC must know what a community's needs are. That is the start of a successful planning project.

The cities and counties that comprise MRPC can be proud of their ability to work together. Such results make MRPC a valuable development tool.

List of Services

— July 1, 2015-June 30, 2016 —

Meramec Regional Planning Commission has compiled a list of major services, provided for communities and local governments within the region for fiscal year 2015/2016. MRPC is truly committed to making a difference.

REGION

- Provided \$3,013,114 in housing assistance to an average of 753 very low-income households per month in the Meramec Region through the U.S. Department of Housing and Urban Development (HUD) Housing Choice Voucher Program. This also includes the participants who have utilized their portability rights and have transferred out of our area and are still being assisted with our agency's funds. The MRPC also performed 1,383 unit inspections for the rental assistance programs and conducted 36 group housing briefing sessions at MRPC.
- Submitted and was awarded Family Self-Sufficiency (FSS) grant of \$53,932.
- Provided information on Community Development Block Grant competition and grant alerts for the Traffic Engineering Assistance Program, Local Law Enforcement Block Grant, Coalition for Roadway Safety, Missouri Development Finance Board, Hulston Family Foundation, USDA loans and grants, Missouri Foundation for Health, Assistance to Firefighters Grant, Brownfields, National Trust for Historic Preservation, Missouri Farm Service Agency Disaster Relief, CDBG Programs, EPA/USDA Broadband Program, Route 66 Corridor Grant, MDNR Scrap Tire Grant, Start Smart Early Childhood Funds, Missouri State Parks programs, Missouri Moves, Our Town Grant, Missouri Department of Natural Resources programs, and Senator McCaskill's grant symposium.
- Applied and received various Ozark Rivers Solid Waste Management District grants to assist with HHW satellite collections in Rolla and St. Robert, special waste collections, and education, public awareness and business outreach.
- Applied and received the Office of Administration grant, which allows Regional Planning Commissions to receive state financial assistance.
- Hosted a Missouri Community Betterment regional meeting on volunteer training.
- Hosted Delta Regional Authority Disaster Recovery Workshop on Apr. 28-29, 2016.
- Maintained an organizational website with information on MRPC and is part of a network of regional planning commissions across the state.
- Provided administrative services for the Meramec Regional Emergency Planning Committee and updated the re-

gion's hazardous materials emergency plan for the Missouri Emergency Response Commission.

- Advertised Community Right-to-Know information regionwide on behalf of MREPC.
- Conducted training needs survey for MREPC.
- Worked with Missouri Emergency Response Commission to promote and coordinate hazardous materials classes.
- Applied for hazardous materials training courses on behalf of MREPC through MERC.
- Maintained portfolio of 12 Revolving Loan Fund projects, totaling \$707,037 leveraging more than \$19,430,546 million in private investment and creating more than 873 jobs in our region with the entire program.
- Maintained portfolio of 31 Small Business Administration 504 loans, totaling \$7,636,778, leveraging more than \$32,359,637 million in private investment and creating more than 1,311 jobs in our region with the entire program.
- Maintained portfolio of eight Intermediary Relending Projects (IRP), totaling \$435,612, leveraging more than \$4,392,887 million in private investment and creating/retaining more than 170 jobs in our region.
- Coordinated and provided meeting facilities for 10 Meramec Regional Development Corporation (MRDC) meetings.
- Held annual dinner at Havener Center on MS&T campus in Rolla on Oct. 30, 2015. Outstanding citizens were recognized at the annual dinner and later in the region's news

MRPC Executive Director Bonnie Prigge (center) and MRPC Secretary and Crocker Mayor James Morgan (right) share MRPC's state priorities with Rep. Dr. Keith Frederick at the Missouri State Capitol.

media and MRPC publications.

- Provided photos to Annual Dinner volunteer award winners.
- Prepared Federal Priorities report and made annual trip to Washington, D.C. to carry regional concerns to our U.S. representatives and senators. Chair T.R. Dudley accompanied staff member Tammy Snodgrass on Apr. 4-6, 2016.
- Prepared State Priorities report and made annual trip to Jefferson City on Jan. 26, 2016, to carry regional concerns to our state representatives and senators. Board members and staff participated.
- Executive Director served on the boards of the Missouri Association of Councils of Governments (MACOG), Missouri Local Technical Assistance Program (LTAP), Missouri Federal Land Access Program Program Decision Committee (FLAP), Community Partnership Audit Committee, Sustain-

Robin Simpson, executive director of the Mark Twain Regional Planning Commission at Perry, Mo., passes the MACOG gavel to MRPC Executive Director Bonnie Prigge during the Jan. 7 MACOG board meeting. Pictured (from left) are newly elected secretary-treasurer Linda Connor, executive director of Lake of the Ozarks Council of Governments, outgoing president Robin Simpson, Bonnie Prigge, and newly elected vice president Jackie Spainhower, executive director of Northwest Regional Council of Governments at Maryville.

able Ozarks Partnership Board, Meramec Regional Community Foundation and DNR's Geologic Mapping Advisory Committee. Served as chair of the Missouri Association of Council of Governments and its transportation committee.

- Served as administrator for the Gasconade Valley Enterprise Zone that coordinates the Enhanced Enterprise Zones in Maries, Gasconade and Osage counties, and assisted with fundraising.
- Continued to work with the Missouri Department of Transportation to gather local input on transportation needs and issues and provide staff support to the Transportation Advisory Committee, an advisory group serving as a liaison between local citizens and MRPC, including the coordination of six meetings.

- Maintained a multi-modal transportation stakeholders email list.
- Reviewed and updated a Title VI plan for MRPC.
- Continued to offer associate memberships to businesses and organizations in the region. As of June 30, 2016, 30 businesses and organizations held associate memberships.
- Provided traffic counters, which may be used by member communities and organizations.
- Invited the Meramec Region's state legislators to MRPC's December board meeting for an idea exchange. Four state legislators participated.
- Invited the Meramec Region's federal congressional leadership to MRPC's January board meeting for an idea exchange. Staff from three of the region's congressional offices participated.
- Coordinated and provided meeting room for four Meramec Regional Emergency Response Committee (MREPC) meetings and seven Ozark Rivers Solid Waste Management District meetings.
- Adopted two needy families (13 total individuals) from the Meramec Region for Christmas and made a donation to Missouri Veterans Home in St. James from funds collected from staff and board. Gifts and food were purchased for the families.
- Assisted Missouri Association of Councils of Governments in developing sub-award agreements for Community Services Initiatives project.
- Held a FSS/Home ownership class with a presentation by MOCA.
- Hosted a Resident Advisory board Meeting (RAB) to review the five year/ one year PHA plan.
- Coordinated ORSWMD Grant Writing Workshop.
- Coordinated ORSWMD sub grantee workshop on grant reporting requirements and reimbursement procedures.

MRPC staff administered grants for the Region I Homeland Security Oversight Committee. Ron Smith (left), Chief of Rolla Fire and Rescue and former HSOC chair, currently serves as vice chair.

- Coordinated Ozark Rivers Grant program that awarded 12 grants, which benefited Ozark Rivers counties. The total award was \$186,685.10, which is being administered by MRPC on behalf of Ozark Rivers Solid Waste Management District.
- Participated in quarterly statewide meetings of RPC transportation planners.
- Participated and assisted in coordination of quarterly meetings in Jefferson City for RPC fiscal officers.
- Coordinated, set agenda and facilitated eight meetings for solid waste planners meetings at the state level.
- Coordinated four meetings of Region I Homeland Security Oversight Committee (HSOC).

MRPC worked in partnership with the Missouri Coalition for Roadway Safety to coordinate docudrama safety day trainings, and assist with awareness of an “Arrive Alive” message to schools in the region. Students (above) tried to perform simple tasks while wearing intoxication simulator goggles.

- Coordinated three THIRA planning meetings on behalf of Region I HSOC.
- Coordinated and administered Region I Homeland Security Oversight Committee grant program, which benefited Region I. FY14 award, was \$89,924.80 in September. Additional funds in February were \$16,569.19. These funds are to be expended by August 2016. FY15 award was \$90,497.74 in October 2015. This award is to be expended by August 2017. FY16 projects have been selected, totaling \$88,935.82 and will be awarded in October 2016 These funds must be expended by August 2018.
- Continued to work with Dr. Joan Schuman from MS&T, Dept. of Engineering Management and Systems Engineer-

ing, to make board members aware of the University’s program to have engineering management student’s work with local governments to address their needs and identify solutions. Served as a liaison between the cities of Salem and Richland, the communities that hosted the class this fiscal year.

- Facilitated and provided technical assistance to the Meramec Regional Community Foundation (MRCF). MRCF ended the fiscal year with 49 funds with a fund balance of \$699,368. Eight new funds were established, totaling \$15,248. Hosted and attended over 14 meetings to promote the foundation concept. Assisted the foundation in awarding six community grants totaling \$1,500 and 15 scholarships in the region, totaling \$10,000.
- Entered into a contract with MoDOT to host a Regional Blueprint Coalition Sub-Committee meeting, coordinate docudrama/safety day trainings, and to assist with awareness of an “Arrive Alive” message at schools and community events.

MRPC hosted a meeting of the Central District Coalition for Roadway Safety Sub-Committee.

- 2013 Tammy Snodgrass
- 2014 Maria Bancroft
- 2015 Lyle Thomas

Lender of the Year Award

Each year, Meramec Regional Development Corp. selects a Lender of the Year, based on participation with MRDC loan programs, job creation and investments.

- 2007 - Town & Country Bank
- 2008 - Town & Country Bank
- 2009 - Phelps County Bank
- 2010 - First Community National Bank
- 2011 - First Community National Bank
- 2012 - Phelps County Bank
- 2013 - Maries County Bank
- 2014 - Maries County Bank
- 2015 - First State Community Bank

2015 Lender of the Year

Ernie Kost (left), First State Community Bank (FSCB) Rolla location president, accepted the Lender of the Year award on behalf of FSCB from Meramec Regional Planning Commission Chairman T.R. Dudley (center) and Darlene Weber (right), vice chair of Meramec Regional Development Corp. (MRDC).

2015 Volunteer Award Winners

Ted Day of Rolla was awarded Meramec Regional Planning Commission's (MRPC) Eugene E. Northern award, the highest award honor, for his dedication to his community during the 2014 Annual Dinner and Awards Program held at the Havener Center in Rolla. MRPC External Relations Committee selected Day for the Award.

Each year, MRPC honors residents of the eight-county Meramec Region like Day who volunteer their time, talents and support to their communities and charitable causes.

Day is or has been active on numerous boards including the Community Child Care Development Corporation (president), Boys and Girls Town/Great Circle, and the Rolla Technical Institute advisory group to name a few. In addition to his volunteer ef-

forts, his is a philanthropist. He served as co-campaign chairman for the Delbert Day Cancer Institute (DDCI) capital campaign, through Phelps Regional health Care Foundation, which raised \$7 million towards the construction of DDCI. Day and his wife, Kim, were the first contributors. The cancer institute was named in honor of Day's father.

Others honored include: Laura Antolak and Jamie Myers of Rolla; Gary Brown of Salem; Rosemary Gruver of Steelville; Jamie Jones of Vienna; Jan Sassmann of Belle-Bland; Robert (Bob) J. Vinyard of Caledonia; Planters of Pulaski County Garden Club; and Potosi/Washington County Chamber of Commerce.

Youth volunteers honored were: Harley Bialczyk of Belle; Seth John of Vienna; and Sierra Zeiss of Steelville.

Eugene E. Northern Award Recipients

Eugene E. Northern was a judge in the 25th Circuit Court of Missouri. He practiced law in Rolla and served as Rolla city attorney for 20 years. Prior to becoming a judge, Northern served as mayor of Rolla in the 1960s and was a candidate for Congress in 1968. Judge Northern dedicated a lot of time to public service and went above and beyond the normal duties of the job.

As circuit judge, Northern established a juvenile division in the court system. His community contributions were directed toward young children, the law and law enforcement. He was dedicated to helping others. In 1983, by recognizing the late Judge Northern's efforts, the MRPC began a tradition of honoring an individual who possessed the commitment and dedication of Eugene E. Northern.

Circuit Judge Eugene E. Northern – (Posthumous) – 1983
 Jess Zink of Rolla – 1984

2015 Community Award Recipients

Thank you for helping MRPC uphold our mission!

Volunteers from across the Meramec Region were honored Oct. 30 during MRPC's Annual Dinner at the Havener Center in Rolla. Recognized this year, from left, was Laura Antolak of Rolla, Gary Brown of Salem, Jamie Jones and Seth John of Vienna, Nancy Yount with Potosi/Washington Chamber of Commerce, Jan Sassmann of Belle/Bland, Debora Rice with Planters of Pulaski County Garden Club, Jamie Myers of Rolla, Sierra Zeiss of Steelville, Rosemary Gruver of Steelville, Ernie Kost with First State Community Bank and Eugene E. Northern award recipient Ted Day of Rolla. Not pictured are Harley Bialczyk of Belle and Robert Vinyard of Caledonia. Left, Ted Day of Rolla accepted the Eugene E. Northern award from MRPC Chairman T.R. Dudley.

MRPC's mission is to enhance the quality of life for residents in the Meramec Region. In pursuit of this mission, MRPC will bring about results in these areas:

- Cleaner, healthier and safer communities;*
- Greater socio-economic wealth through community and economic development; and*
- A stonger, unified voice in the legislative process.*
