

2020 Census: What You Need to Know

You can fill out the census online, over the phone, or with a census person at your home. Whichever way you choose to fill out the census, **you need to know the following:**

All questions are for the April 1, 2020 Census:

1. How many people are living or staying with you?
2. Were there any additional people staying with you that you did not include in number 1?
3. Is the place you live owned, rented, or occupied without payment?
4. What is your telephone number?*

*This is only to contact you regarding your census answers. The law strictly prohibits the Census Bureau from sharing or selling your information.

For each person in the household you will need to know:

- First and Last Name
- Does the person usually live somewhere else and where?
- Relationship to primary person filling out Census
- Sex
- Age and Date of Birth
- Hispanic, Latino, or Spanish origins or not
- Race

They will NOT ask:

- Your social security number
- Income information
- US Citizenship
