

Dent County

CARES Small Business Relief Program

The Dent County Commission recognizes the negative impact that COVID-19 has had on small businesses in its county. We have established a grant relief program in order to assist you during these difficult times. Every business is important to us.

Dent County has received Coronavirus Relief Funds that it is making available, on an application basis, to eligible entities for necessary expenditures incurred due to the public health emergency. A total of \$800,000 has been set aside for small business reimbursements. The maximum funds available is \$20,000 per business. Funds may only be used to cover costs that:

- are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
- were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020.

The requirement that expenditures be incurred “due to” the public health emergency means that expenditures must be used for actions taken to respond to the public health emergency.

Program Eligibility

The program funds will be allocated to eligible and qualified small businesses and non-profits based on availability. Applications and supporting documentation are required for review and approval. All grants will be processed on a first-come, first-review basis to qualified applicants. Please note that applications for funds are considered public information.

To be eligible, businesses must meet the following requirements:

- Must be a for-profit, independently owned business or independently-operated franchise, or non-profit organization geographically located within the borders of Dent County, MO.
