Friday, March 5, 2021

9:30 - 11:30 am

Stonehenge at University of Missouri S&T, 1870 Miner Circle, Rolla
Peoples Bank, 701 N. Franklin Street, Cuba

Join us to raise awareness of opioid overdoses at one of the events. You can memorialize family and friends lost to overdoses on a public display mural and take a picture of yourself recognizing a family member or friend who died due to overdose that will be shared via social media. We will also have resource information available at these events. Can't attend an event? Send us a picture of yourself holding a picture of the person you lost to be displayed on our Facebook page - www.facebook.com/meramecregion.
